Bad News Beats Hurst Park.

Bad News was favorite in the handicap, with Hurst Park a strong second choice. It looked a two-horse race and so it proved. Hurst Park made the running, followed by Bad News and Sonoma Belle. There was a hot drive and then Bad News went to the front, winning in hand by a head from Hurst Park, who was four lengths in front of Keynote. Close Finish in Fifth

Packers Ask for a Conference, but First Hold a Meeting of Their Own, Resolving to Stand Firm, and There Now Seems Lite tle Hope of Immediate Settlement.

TWO OUTBREAKS OCCUR, AT ONE OF WHICH POLICE DRAW PISTOLS

Strike Leaders Assert that the Packers Have Violated Their Agreement, and President Donnelly Threatens to Call Out the Allied Trades for a Sympathetic Tie-Up.

(Special to The Evening World.)

CHICAGO, July 22.—This city is already getting a taste of what It is to endure unless the strike negotiations now pending are carried to a successful termination. With the conferrees still in session disorder has broken out in several places.

One man has been beaten so badly that he will probably die, and an ambulance containing another man who was accidentally injured, was surrounded by strikers and almost overturned. The arrival of the police reserves is all that averted a disgraceful scene. FBAR MORE VIOLENCE.

The efforts of the leaders, successful up to now, to keep the tempera of the men in check, is still being exerted, but it is obvious that lawlessness will reign soon unless this afternoon's joint conference ends the strike, a result which the most optimistic can at present see no signs of.

The packers themselves asked for the conference which is now going on, but before entering it they had a private meeting at which the following were present: Arthur Meeke: and Thomas J. Connors, representing Armour & Co.; Thomas Wilson and Edward Morris, re & Co.; J. E. Maurer, representing Schwarzchild & Sulzberger; J. P. Lyman and Samuel McLean, representing the National Packing Com and Louis L. Swift, representing Swift & Co.

At this meeting it was decided by the packers that they we firm in their attitude and would not yield an inch to the stribers. To

killing departments and keep them shut down, confining the business the present to the shipping and handling of products on hand.

It was on this basis that the packers went into the joint confer and as the strikers went into it with the allied trades represenstives, instructed to resist these very things, there is little or no hope of a mettlement. It is freely predicted that the conference will break up without any agreement being reached, and that by to-morrow the strike will have any tended to every branch of the packing industry.

TO CALL SYMPATHETIC STRIKE. "If we don't reach a settlement," said Mr. Donnelly just as he ente the conference, "I shall demand that all the allied trades go out. We make these packers see before we get through that they have gone too fan
